Riot Photographs

1. Due to a regrettable oversight on the part of [] the attached photographs were purchased from CAMLEY's firm at the price of 324 DM West, in compliance with a request from [] J. [] on the other hand, obtained an identical set of photographs from the same source free of charge, reflecting a relationship essentially conditioned by ideological factors.

2. I am forwarding the photographs anyhow, in hopes that they can be put to some use warranting the expense of money.
